14. E-911 Disclosure

The Federal Communications Commission ("FCC") requires each interconnected Voice Over Internet Protocol ("VOIP") service provider, including Vision CTS, L.L.C. ("VCTS"), to inform its customers of any circumstances under which E911 service might not be available through the VOIP service or may be in some way limited by comparison to traditional E911 service through the traditional telephone service. A copy of this FCC order is available at <http://www.fcc.gov/cgb/voip911order.pdf>. You should carefully read this E911 Disclosure Addendum and understand how these differences affect your ability to access E911 services. If you have any questions or concerns about the information contained in this notice, or if you do not understand anything discussed in this notice, please contact our Customer Service representatives at 1.877.596.2534 during normal business hours.

The FCC's E911 VOIP rule also requires VCTS to obtain and keep a record on file showing that the VCTS's customers have affirmatively acknowledged that they have received a copy of this disclosure and that they understand it. Finally, VCTS is providing its customers warning label stickers instructing them to place those stickers on the telephone handsets or near them to warn users that E911 service may be limited or not available using the VOIP equipment.

By agreeing to these terms, you are affirmatively acknowledging that (1) you have read and understood this E911 Disclosure Addendum, (2) you understand that you may not be able to contact emergency services by dialing 9-1-1 using VOIP Services, (3) that you have received the warning stickers and will affix them to your VOIP equipment, and (4) you understand that you must inform users of VOIP Services that they may not be able to contact emergency services by dialing 9-1-1 using VOIP Services.

A. VOIP SERVICES MAY NOT OPERATE DURING A POWER OUTAGE. In the event of a power outage or the loss of battery power if back-up battery power is available, the VOIP equipment cannot operate and, therefore, will be unable to make a call to the E911 service. Once power service is restored, you may be required to reset or reconfigure your equipment before you will be able to use VOIP Services to contact E911 services. You are responsible for providing an uninterruptable backup power supply if you wish to ensure continued operation of electrical equipment in the event of a power outage.

B. VOIP SERVICES WILL NOT OPERATE IF YOUR INTERNET CONNECTION IS DISTURPTED OR YOUR VOIP SERVICES HAVE BEEN SUSPENDED FOR ANY REASON, INCLUDING, FOR EXAMPLE, NON-PAYMENT. Once your internet connection and VOIP Services have been restored, you may be required to reset or reconfigure your equipment before you will be able to use your VOIP services to contact E911 services.

C. YOU MUST PROVIDE VCTS WITH YOUR CORRECT SERVICE ADDRESS OR YOUR VOIP 911 CALLS MAY BE ROUTED TO EMERGENCY PERSONNEL WHO WILL NOT BE ABLE TO ASSIST YOU. If you notice that the service address information identified in your contract or bill is inaccurate, you can and should make corrections by calling our Customer Service representatives at 1.877.596.2534 during normal business hours.

D. VOIP SERVICES' E911 CALLS MAY NOT COMPLETE OR MAY BE ROUTED TO EMERGENCY PERSONNEL WHO WILL NOT BE ABLE TO ASSIST YOU IF YOU DISABLE, DAMAGE, OR MOVE THE VOIP PHONE HANDSET TO A LOCATION OTHER THAN THE SERVICE ADDRESS YOU PROVIDED TO VCTS WHEN SERVICE WAS INITIATED. If you wish to move to a new service address or report damage to your equipment, please call Customer Service at 1.877.596.2534 during normal business hours.

E. VOIP SERVICES' E911 CALLS MAY BE DELAYED OR DROPPED DUE TO NETWORK ARCHITECTURE. Due to network congestion or problems, calls to E911 services made using VOIP Services may be dropped, in which case you will not be connected to emergency services, or your E911 calls may take longer to connect than E911 calls made using traditional telephone service.

F. YOU SHOULD MAINTAIN AN ALTERNATE MEANS OF CONTACTING E911 SERVICES AND YOU MUST INFORM YOUR VOIP SERVICES USERS OF THESE ALTERNATE MEANS. You have been provided warning stickers. Please place the stickers on or near the equipment you use to access your VOIP Services to alert users of alternate means of contacting E911 in the event of an emergency. You should provide direct local numbers for police, fire, and medical emergencies next to each handset.

15. Governing Law

The Agreement shall be governed by and construed according to the laws of Ohio. Customer and VCTS agree that the state and federal courts in Ohio have jurisdiction of all disputes that are not otherwise subject to the arbitration clauses contained herein and they hereby consent to each other and such courts that such jurisdiction is proper.

16. No Waiver

If either party fails, at any time, to enforce any right or remedy available to it under this Agreement, that failure shall not be construed to be a waiver of the right or remedy with respect to any other breach or failure by the other party.

17. Severability

A declaration by any court, or other binding legal source, that any provision of the Service Agreement is illegal and void, shall not affect the legality and enforceability of any other provisions of this Agreement, unless the provisions are mutually dependent.

18. Dispute Resolution

Any controversy or claim arising out the Service Agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Claims shall be heard by a panel of three arbitrators.

Within 45 days after the commencement of arbitration, each party shall select one person to act as arbitrator and the two selected shall select a third arbitrator within ten days of their appointment. If the arbitrators selected by the parties are unable or fail to agree upon the third arbitrator, the third arbitrator shall be selected by the American Arbitration Association. The place of arbitration shall be Delaware County, Ohio. The arbitration shall be governed by the laws of the State of Ohio. Time is of the essence for any arbitration under this agreement and arbitration hearings shall take place within 180 days of filing and awards rendered within 120 days. Arbitrator(s) shall agree to these limits prior to accepting appointment. The arbitrator(s) shall award to the prevailing party, if any, as determined by the arbitrators, all of their costs and fees. "Costs and fees" mean all reasonable pre-award expenses of the arbitration, including the arbitrators' fees, administrative fees, travel expenses, out-of-pocket expenses such as copying and telephone, court costs, witness fees, and attorneys' fees. The parties agree that failure or refusal of a party to pay its required share of the deposits for arbitrator compensation or administrative charges shall constitute a waiver by that party to present evidence or cross-examine witness. In such event, the other party shall be required to present evidence and legal argument as the arbitrator(s) may require for the making of an award. Such waiver shall not allow for a default judgment against the non-paying party in the absence of evidence presented as provided for above. Customer and VCTS agree that we each may bring claims against the other only in an individual capacity and not as plaintiff or class member in any purported class, representative, or private attorney general proceeding.

19. Acceptable Use Policy

Customer agrees to comply with VCTS' Acceptable Use Policy which is incorporated by reference into these terms and conditions. VCTS may change the Acceptable Use Policy from time to time. It is posted on VCTS' website at <http://www.ohiophoneservice.com/acceptableusepolicy>.

20. Service Level Agreement

The VCTS Service Level Agreement posted on VCTS' website at <http://www.ohiophoneservice.com/SLA> is incorporated by reference into these terms and conditions. VCTS may change the Service Level Agreement from time to time.

21. Entire Agreement

The Service Agreement constitutes the entire agreement between the parties pertaining to the subject matter herein and supersedes all prior oral and written proposals, correspondence and memoranda with respect hereto. The Service Agreement may not be modified, amended or supplemented except by written agreement signed by an authorized representative of each party. Notwithstanding anything otherwise stated, a Customer purchase order document (whether signed by one or both parties) shall be construed solely as evidence of Customer's internal business processes, and the terms and conditions contained thereon shall not govern or modify the terms of the Service Agreement.
